Subject: Reminder - Help graduates of your college begin their career
To: hsdhaliwal07@gmail.com

Dear Prof. Harcharan Singh Dhaliwal,

Hope you are doing well.

I was wondering if you had a chance to go through my email and share it with your final year students and graduates. In case you haven't, may I request you to kindly share it with your students as it would help them land a PPO internship. Please ignore if you have already shared this message.

I am glad to announce that AICTE's internship partner - Internshala has launched [India UnEmployed](#), a campaign to improve the employment rate of graduates in India.

Currently, out of 60 Lakh students that graduate every year, **only 8%** are employable. Through India UnEmployed campaign, graduates have the option to go for exciting internships with a pre-placement offer (PPO) which will allow them to convert their internship to a job.

About India UnEmployed campaign:

- a) To start with, there are **1600+** internships including internships at top brands like OYO Rooms, Decathlon, Aditya Birla, Teach for India etc. available with a pre-placement offer.
- b) The campaign is open to all the graduates irrespective of their field of graduation.
- c) The enrollment is **free of cost**.

We request you to kindly **share this link** - internshala.com/i/5899 with all your **graduates and final year** students so that they can enroll and apply for these PPO internships (the internships are already live and open for applications).

Please mail us back to confirm once you have shared so that we can ensure that maximum students can benefit from this. Feel free to reach back to me on +91 - 9050847917 if you have any questions

Many thanks,
Kishalaya
