## **Whereas**

Jivo wellness Pvt. Ltd. , New Delhi, works towards a better everyday health of the society by offering a wide range of Omega-3 rich canola cooking oil and other products that everyone is able to afford and benefit. Its genesis is through the vision and motivation of Baba Iqbal Singh Ji, Former Director Agriculture, Himachal Pradesh. Jivo Wellness Pvt. Ltd. was created in September 2010, by establishing its first state of the Art Rotatory EOP Plant with a production capacity of over 1000 metric tons per month in Kundli, Haryana. The plant was inaugurated by Mr. Gerry Ritz (Agriculture Minister of Canada) with an idea to serve humanity and to change the country's nutritional attributes by introducing canola oil as a mother nature's gift to mankind in India. Jivo wellness Pvt. Ltd. is one of the leading canola cooking oil brands in the country and also the **largest importer and seller of canola oil** at present. Even the world's most popular processed food, manufacturers have shifted to canola oil ever since the trans-fats were banned/regulated in those countries. Jivo Wellness Pvt. Ltd. supports education, healthcare and social welfare of underprivileged rural poor by supporting schools and hospitals and welfare centres in rural India and extends substantial financial help to promote value based education institutions and health care centres for rural poor. The Jivo wellness is diversifying its activities to develop and market other functional foods and healthcare products in India and abroad through collaboration and co-operation with societies and industries.

**The MoU aims at the establishment of Akal Food Safety and Quality Control Laboratory, its proper utilization and maintenance. The Society and Jivo Wellness Pvt. Ltd., New Delhi agree to promote and undertake the following activities based on their respective social and commercial interests:**

- 1. Managing the required financial contribution for establishment and running of "Akal Food Safety and quality Control laboratory".**
- 2. Exploration of nutraceutical, healthcare and wellness potential of crop, fruits, vegetables and medicinal plants of Himachal Pradesh and their formulations and products.**
- 3. To provide all the requisite services for testing and maintenance of quality of various products developed and marketed by Jivo Wellness Pvt. Ltd. and training of its staff.**

4. Implementation of each specific activity in this MoU shall be separately negotiated and determined by both organizations. Efforts shall be made by both sides for maintaining food safety and quality control in Himachal Pradesh and adjoining states.
5. This MoU shall be valid for 5 years and is subject to revision or modification by mutual agreement. It is also understood that either organization may terminate the MoU at any time, although such action will only be taken after mutual consultation in order to avoid any possible inconvenience to all parties.
